

CLOVER HEALTH PARTNERS (CHP) CMS DIRECT CONTRACTING 2022

Letter of Participation

This Letter of Participation is between [redacted] and the Illinois Health IT Regional Extension Center (ILHITREC) at Northern Illinois University, the lead organization of Illinois, part of the Blue Agilis CHP Direct Contracting Network.

Each organization participating will be offered technical assistance and support consisting of National, Regional and State-based tools and resources. Local, State-based resources consist of Quality Improvement Advisors (“QIAs”) who will coach the Participant through the CHP Direct Contracting Program. QIAs can also provide direct technical assistance to help prepare and/or align clinicians for optimal success in value-based payment systems.

Organization is selecting to participate in (check one):

Option 1: Standard CHP Direct Contracting Participation (no shared savings arrangement or downside risk).

- Payment option (a): \$5 PBPM care management fee and \$30 FFS incentive payment per CA visit
- Payment option (b): \$45 FFS incentive payment per CA visit

Option 2: CHP Shared Savings Participation Direct Contracting Participation with no downside risk.

Option 3: CHP Shared Savings Direct Contracting Participation with downside risk.

Organization is selecting to receive the following type of support (check one):

Option 1: Dedicated Quality Improvement Advisor(s) (QIA) to help providers & practices implement the program.

Option 2: Dedicated Quality Improvement Advisor(s) (QIA) to help providers and practices implement the program and align all value-based incentive strategies and activities, optimizing workflows and processes to achieve optimal success in population health.

Option 3: In addition to what’s offered in Tier 2, providers and practices have access to national physician experts to guide the adoption and implementation of evidence-based clinical programs that addresses the needs of their most vulnerable, high-cost patient populations.

Participant agrees to actively collaborate ILHITREC to implement these Services. In order to do this, the Participant commits to the following:

- 1) Designate a point of contact and /internal QI champion
- 2) Regularly communicate with the QIA
- 3) Participate in onboarding activities and any future trainings as determined
- 4) Actively participate in transformational activities

The term of this participation coincides with the period of the CMS Direct Contracting agreement.
